Welcome to **the GTC Group**

From Fundamentals to Advanced AI - Building Digital Talent for Nigeria's Future

Artificial Intelligence is redefining industries across the world, and Nigeria is entering a new era where digital capability will determine economic competitiveness. GTC's AI & Digital Skills Faculty provides a structured learning pathway - Beginner, Intermediate, and Advanced - empowering professionals at all levels to understand, apply, and lead with AI.

Our programmes cover the full spectrum of today's digital capabilities: machine learning, data analytics, process automation, AI in business strategy, natural language processing, ethical AI, and sector-specific applications for finance, oil & gas, public governance, and more.

Every course is designed with Nigeria's workforce in mind - practical, hands-on, and aligned with global standards - enabling organisations to unlock innovation, improve productivity, and accelerate transformation.

Whether you are starting your AI journey or stepping into advanced applications, GTC helps you build the skills that define tomorrow's leaders.

AI for everyone. Digital skills for every sector. Impact for Nigeria.

What makes us **Different?**

Through our extensive partner network, we connect key decision-makers in emerging economies with global thought leaders and practical experts that can collaborate to deliver technical, intellectual and managerial transformation.

We combine Training, Consulting and specialist Energy services to provide emerging economies with an unparalleled platform for development. By engineering solutions that deliver maximum cultural and commercial impact across every sector imaginable, we produce real world results for our clients and the countries they represent both now and into the future.

Explore the transformative opportunities that we can deliver to you.

Values

Connection

Using our unrivalled network of global contacts, the GTC Group connects global thought leaders to influential individuals and groups in the public and private sectors in emerging economies.

Transformation

Our exceptional consultancy and training services have a proven track record of transforming emerging economies across key areas of development - from national and business security to procurement and supply chain management.

What makes us **Unique?**

World-class Consultants

Our faculty includes over 200 globally recognised consultants, industry specialists, and thought leaders. With deep expertise across AI & Digital Transformation, Oil & Gas, Renewable Energy, Governance, and Leadership, we bring world-class knowledge directly to Nigeria's workforce.

Blended Learning that Works

We deliver a flexible mix of Instructor-Led Training, Virtual Learning, E-Learning, and Blended Live programmes - designed to meet Nigeria's diverse training needs. Whether for government, energy, finance, or corporate teams, our learning experiences are practical, immersive, and tailored to real workplace challenges.

International Accreditations & Certifications

GTC collaborates with globally recognised professional institutions to ensure our programmes meet the highest international standards. From AI and IT certifications to technical, leadership, and industry-accredited programmes, Nigerian delegates gain credentials that accelerate their global competitiveness.

In-depth Local & Cultural Insight

With over 20 years of working closely with Nigerian public and private sector organisations, we understand the unique cultural, institutional, and operational contexts in which our clients operate. This insight ensures that our solutions are realistic, relevant, and implementable.

Personalised Support

We work hand-in-hand with every organisation - providing guidance, advisory support, and tailored learning pathways. From initial needs assessment to implementation and long-term capability building, GTC Nigeria partners with you every step of the way.

Proven Return on Investment

Our consistent results across Nigeria speak for themselves. Organisations trust GTC because our programmes translate into improved performance, enhanced technical capability, and measurable organisational growth. Our expanding client community across government, energy, and corporate sectors is proof of the impact we deliver.

Accreditations & Recognition

The GTC Group is proud to be a PMI® approved Registered Education Provider (R.E.P) Global Provider Enrolment Level. As a PMI R.E.P. we are pre-approved to offer professional development units (PDUs) for existing PMIR qualifications; helping delegates acquire or maintain their PMP® certification with ease.

The GTC Group has been recognised as a leading, global provider of CPD accreditation. Accredited CPD training means the learning activity has reached the required continuing professional development standards and benchmarks. The learning value has been scrutinised to ensure integrity and quality. The CPD certification service provides recognised independent CPD accreditation compatible with global CPD requirements.

The CIPR advances professionalism in public relations by making its members accountable to their employers and the public through a code of conduct and searchable public register. Therefore, setting standards through training, qualifications, awards and the production of best practice and skills guidance, facilitating Continuing Professional Development (CPD), and awarding Chartered Public Relations Practitioner status (Chart.PR).

CMI offers practical, proven solutions for individual managers, employers and education providers alike. Our mandate is to create better led and managed organisations - that's why over 100,000 managers and 450 employers use our services to improve their performance.

The Centre for Management Development (CMD) was established by the Federal Government of Nigeria since 1973 for the regulation of standards in the training of managerial manpower for the country in the attainment of national economic goals.

GTC Nigeria is a member of the Oil and Gas Trainers Association of Nigeria (OGTAN). The association is the independent umbrella Group of Training Services Providers in the Oil and Gas Sector in Nigeria with the purpose of building local human capital capacity in the sector.

Nigerian Institute of Training and Development (NITAD) is a professional body of Human Resource Development (HRD) practitioners in Nigeria established to promote the science and practice of training and development nationwide.

Awards

The GTC Group was awarded the dual accreditation in recognition of its multi-dimensional approach to ensuring high-quality service and delivery. The Provider of Training Excellence accreditation recognises professional training providers that offer high-quality training provision. It is an award recognised by the Professional Development Consortium, a research organisation that is also home to the CPD Standards Office.

GTC is very proud to be member of the BSI and we work with and adhere to all of their Standards. Just like the BSI, our global strength is built on the experience, skills and sheer enthusiasm of our staff and instructors. Our approach is effective, especially because we understand how to make excellence a habit.

GTC Training

GTC Training has a proven legacy of empowering professionals and institutions in developing and developed economies. In Nigeria, our programmes help leaders, managers, and technical experts enhance their capabilities across key national priorities - from leadership and governance to digital transformation, Procurement, Agribusiness, AI, oil & gas, and renewable energy.

With access to a global network of subject-matter specialists, innovators, and industry influencers, GTC Training offers programmes that strengthen technical competence, improve organisational performance, and support compliance with global best practices.

Our versatile training delivery formats - Instructor-Led, Virtual, E-Learning, and Blended - ensure that every delegate receives a flexible and impactful learning experience tailored to their development needs.

GTC Online Learning

Flexible • Accessible • Globally Delivered

GTC offers a comprehensive suite of online learning solutions designed for professionals who require high-quality training with maximum flexibility.

Our online platform brings together the expertise of world-class consultants and the convenience of digital learning to support participants across different time zones and professional schedules.

GTC Online Learning consists of three core formats:

1. Virtual Training

Our Virtual Training replicates the full experience of an Instructor-Led Classroom in an online environment. Delivered in real-time by our expert faculty, these sessions are highly interactive, allowing participants to:

- Engage directly with trainers
- Collaborate with peers
- Work through case studies and practical exercises
- Experience immersive, structured learning without the need to travel

Virtual Training is ideal for organisations that want high-engagement learning delivered remotely.

2. E-Learning

Our E-Learning programmes offer complete flexibility and self-paced progression. Delegates can access the GTC online platform anytime, anywhere - learning at the speed that best suits their commitments.

E-Learning includes:

- Step-by-step modules
- Interactive exercises and quizzes
- Videos, readings, and scenario-based learning
- Automated progress tracking

It is a cost-effective, scalable solution perfect for individual learners and large teams.

3. Blended Live Training

Blended Live combines the best of both worlds:

- ▶ **Specialist Instructor-Led Training**
- ▶ **The flexibility of E-Learning**

Participants receive structured live sessions delivered by expert consultants while also completing additional modules on the online learning platform.

This format provides a richer, more immersive experience while supporting flexible scheduling.

Why Choose GTC Online Learning?

Our digital learning ecosystem is designed to provide:

- Access to world-class consultants and industry experts
- Flexible scheduling for global participants
- Scalable solutions for organisations and government institutions
- High-quality content aligned with international standards
- Measurable learning outcomes

GTC Online Learning ensures every participant receives the same level of excellence we deliver in our classroom-based programmes - adapted for modern, digital-first learning.

What's Included in **Online Learning**

What You Receive with GTC Online Learning

No matter which online format you choose - Virtual, E-Learning, or Blended Live - every participant benefits from a complete, high-value learning package designed to support skill development and long-term competence.
