

ISO 14001 Foundation- Environmental Management System (EMS)

COURSE OVERVIEW

The ISO 14001 Foundation training provides basic knowledge of environmental management and ISO 14001 requirements. It covers key EMS elements like environmental policy, controls, performance measures, audits, and continual improvement. After completing the course and passing the exam, participants can earn the internationally recognized “PECB Certificate Holder in ISO 14001 Foundation,” proving their readiness to support ISO 14001 implementation projects.

WHO SHOULD ATTEND?

This course is ideal for individuals seeking a foundational understanding of Environmental Management Systems (EMS), professionals involved in environmental compliance or sustainability efforts, team members supporting ISO 14001 implementation, as well as auditors, consultants, environmental coordinators, and managers looking to enhance their organization’s environmental performance and regulatory compliance.

COURSE OUTCOMES

Delegates will gain the skills and knowledge to:

- Understand the basic environmental management concepts, definitions, and approaches
- Get acquainted with the ISO 14001 requirements for an environmental management system
- Develop a general understanding of how ISO 14001 requirements could be applied in an organization

KEY COURSE HIGHLIGHTS

At the end of the course, you will understand;

- Introduction to environmental management concepts and ISO 14001 requirements
- Overview of EMS elements including policy, operational controls, and performance measurement
- Focus on management commitment, internal audit, review, and continual improvement
- How to prepare for the ISO 14001 Foundation certification exam
- How to obtain the internationally recognized “PECB ISO 14001 Foundation” certificate
- Foundational knowledge and ability to contribute to EMS implementation projects

All our courses are dual-certificate courses. At the end of the training, the delegates will receive two certificates.

1. A GTC end-of-course certificate
2. Continuing Professional Development (CPD) Certificate of completion with earned credits awarded
