

PRINCE2 6th Edition Practitioner

COURSE OVERVIEW

In this course, you will apply the generally recognized practices of project management acknowledged by PRINCE2. This course will also serve to prepare you for the PRINCE2 Practitioner examination. This course is accredited by PEOPLECERT. If you are taking this course, you might already be a Project Manager, or you may be considering a career change and becoming one. Your ability to demonstrate best practices in project management—both on the job and through professional certification—is becoming the standard to compete in today's fast-paced and highly technical workplace

WHO SHOULD ATTEND?

This course is ideal for project managers, team leads, project coordinators, and professionals responsible for managing or supporting projects. It is also suited for those looking to formalize their project management skills, individuals aiming to implement structured project methodologies, and anyone who has already completed the PRINCE2 Foundation certification and wants to advance their knowledge and application of the framework.

COURSE OUTCOMES

Delegates will gain the skills and knowledge to:

- Apply and tailor PRINCE2 to real-world projects.
- Make informed project management decisions.
- Improve project planning and control.
- Align projects with organizational goals.
